PHOTOGRAPHY PERMISSION

Photography and social media

We like to share our most exciting and inspiring moments via our social media channels. It is a fantastic way for parents to see what happens at camp and for our campers to look back on their experience. We take child protection very seriously and will only take photographs or videos if permission has been given by the parent and child.

Please carefully read our photography and social media policy below and indicate whether we have permission to take photographs of your child at camp for social media purposes.

Photography and social media policy

1. Consent and permission

We will only take photographs of children for social media purposes with prior consent from the parents. The social media representatives will check that prior parental consent has been provided via the pre-visit form before taking a photograph or video of a group of children and will ask all children at the time of the photograph. Regardless of whether parental permission has been given, we will not take photographs against the consent of the child.

A child, parent or guardian may request that images may be removed from our photo library at any time. The photograph will be removed from any online platform (e.g. website or social media) and will not be used in future printed materials.

2. Photographers and devices

Only the designated social media and Veho (action camera) representatives within the centre are permitted to take photographs and videos of the children with prior parental consent. All photographs and videos will be taken and stored on the centre iPad and Veho cameras which are kept on-site at all times. Under no circumstances will Inspiring Learning staff take photographs or videos using personal cameras or mobile devices. On occasions where an external photographer is visiting, we will contact the parent to obtain permissions separately.

3. Appropriateness of images

The subject of our photographs and videos is always the activity and not the child, children will not be singled out for photographs and we will not photograph a child who appears to be in distress.

Photographs and videos will only be taken where children are appropriately dressed for their activity. If photographs are taken during swimming activities, children will only be photographed from the shoulders up.

4. Identification of subjects

We will not disclose the identity of any children who are photographed. Full names of children will not be published alongside their photographs.

5. Distribution

Photographs and videos taken by our representatives will be distributed via our official Twitter, Instagram, Facebook and any other social media accounts. They may then in turn be published on the Inspiring Learning websites.

I/we, (name(s)) _____ the parent(s)/guardian(s) of: _____

(child's full name) _____

Hereby give(s) Inspiring Learning permission to take photographs and video of my/our child named above to publish on Twitter, Instagram, Facebook and other social media in accordance with the above photography and social media policy.

We strive to ensure that Kingswood Camps is a very special place, a truly inclusive environment where children of all ages and backgrounds have the opportunity to become part of a wider family and where trust is fostered and rewarded.

THESE DETAILS MUST BE COMPLETED AND RETURNED BEFORE YOUR CHILD CAN BE ACCEPTED AT CAMP!

Kingswood Camps is about safely having fun, making friends and trying new and positive experiences. Our Code of Behaviour helps ensure that your child has a safe, happy and memorable holiday with Kingswood Camps.

If you have any concerns or are aware of a history of a child being unable to comply with the points raised in our Code of Behaviour then we should be contacted immediately. We will carefully consider matters and advise on whether we feel the camp is an appropriate holiday choice with particular reference to such considerations as access, successful participation and health and safety.

For the safety and well-being of all guests at camp, we reserve the right to invoke Clause 6.5 of our Booking Conditions should any guest refuse to adhere to this Code of Behaviour. "We reserve the right to decline to accept or cancel any Booking or exclude any Child at any time prior to or during the Holiday if in Our reasonable opinion the behaviour of that Child is or may be disruptive, dangerous, annoying, or incompatible with the general enjoyment of other visitors."

Children need to understand the standards of behaviour we expect. Please discuss this Code of Behaviour with them and ask them to sign their name to show they understand and agree to the rules.

Code of Behaviour

- Bullying is not allowed. This includes name-calling, fighting, telling lies about someone, not letting someone take part in a game or treating someone differently because of who they are.
- Do not use threatening behaviour, swear or use insulting language. Everyone should be friendly and polite to each other.
- Do not deliberately damage the property of Kingswood Camps or other guests. If you break something by accident tell a Camp Coach as soon as you can.

- Please keep your room clean and tidy at all times.
- Do not eat or drink in the dormitory, except water.
- Do not enter a dormitory if it is not yours, even if you have been invited.
- Do not use spray deodorant or hairspray in your bedroom. Only use it in the shower room.
- Do not leave your dormitory after lights-out, unless you need to use the bathroom, you need help from a Camp Coach or the fire alarm sounds.
- Do not use your phone in the dormitory.
- Do not use your phone during activities.
- Do not take photographs/videos of other campers or staff.
- Do not use your phone to look at, show others, or post inappropriate or offensive content.

We are unable to monitor your child's use of their phone at all times, and as such we are unable to police what content is being accessed or services used. Your decision on whether to allow your child to take a phone to Camp must be based on your trust in their ability to follow these rules.

Breaking the rules may mean we have to contact your parents or guardian. We may have to end your holiday and send you home.
